Software developer with experience utilizing various methodologies to create applications for clients to enhance and refine the user experience. Managing teams effectively, I have helped multiple groups achieve goals while also contributing to sprints myself, aiding in both organization and technical progress.

WORK EXPERIENCE

Bar Staff

09/2019 to 04/2021

Bucks Student's Union

Queen Alexandra Rd, High Wycombe HP11 2JZ

Served customers of the Students Union bar food during the day, and served drinks to people in the evenings. A fast paced work environment where I had to cater to many orders within short spaces of time.

Bar Staff

03/2019 to 09/2021

Portishead Town Football Club

Bristol Road, Portishead, Bristol BS20 6QG

Served various customers drinks during match days as well as other festival like events held on the grounds. Additionally I was a trusted money handler, ensuring the tills and safe were in order at the end of each shift.
